For any fund related questions please contact ETF Securities.

Important Information

This document is communicated by ETFS Management (AUS) Limited (ETFS) (AFSL: 466 778). Under no circumstances is this document to be used or considered as an offer to sell, or a solicitation of an offer to buy, any securities, investments or other financial instruments and any investments should only be made on the basis of the relevant product disclosure statement which should be considered by any potential investor including any risks identified therein.

This document does not take into account your personal needs and financial circumstances. You should seek independent financial, legal, tax and other relevant advice having regard to your particular circumstances. Although we use reasonable efforts to obtain reliable, comprehensive information, we make no representation and give no warranty that it is accurate or complete.

Investments in any product issued by ETFS are subject to investment risk, including possible delays in repayment and loss of income and principal invested. In particular, crypto and digital-type currencies and assets may have special additional risks, including counterparty risks. Neither ETFS, ETFS Capital Limited nor any other member of the ETFS Capital Group guarantees the performance of any products or the repayment of capital or any particular rate of return therefrom. The value or return of an investment will fluctuate and investors may lose some or all of their investment. Past performance is not an indication of future performance.
